COVER LETTER

Application for IT Position

September 26, 2026

Hiring Team
TaskUs Philippines

Dear Hiring Team,

I am writing to apply for an IT position at TaskUs. I am currently taking Bachelor of Science in Information Technology at PHINMA Araullo University – South. I am interested in this opportunity because I want to use what I learn in school and gain more experience in IT.

I have basic knowledge of computers, coding, troubleshooting, document formatting, and digital tools. I am also willing to learn new things, work with others, and follow instructions.

I may still be a student, but I am hardworking, responsible, and willing to improve my skills. I believe this opportunity will help me learn more about IT and gain useful experience.

Thank you for considering my application. I hope to have the opportunity to be part of your team.

Respectfully,
Naco, Viczen Marley A.
BS Information Technology Student

JOB / EMPLOYER REFERENCE

- Target Job: IT Support – TaskUs Philippines
- Employer: TaskUs
- Position: IT Support
- Source: TaskUs Careers – Official Job Posting
- Posting Date: September 1, 2026

KEY REQUIREMENTS / DETAILS

- Currently studying Information Technology, Computer Science, or a related course.
- A letter from the school may be needed.
- Willing to learn and follow workplace rules.
- IT tasks are done with help from the IT team.
- The job can help students gain work experience.

PROCESS & INTEGRITY NOTE

How I Prepared My Application

I chose an IT job that matches my course and skills. I checked the TaskUs Careers page for the job details, requirements, and work setup. I used this information to make my resume and cover letter.

I made sure that the information in my application is true. I did not add fake work experience, skills, or certificates.

I used AI to help me arrange and improve some of the words. I checked the final work to make sure the information is correct.

I focused my resume on my education, IT skills, school experience, and projects. I made sure that my application is honest and shows my real skills as an IT student.
